Wildlife reserve, Province of Québec

Category I and II Lands
Lands are reserved for First Nation use. You must obtain the necessary authorizations from the appropriate Band Council to camp, fish or hunt.

Category III Lands
Activities are generally allowed on Category III lands as elsewhere in Québec. Restrictions may apply; please enquire.

Safety measures

- Make sure your car is in good condition.
When travelling on gravel roads, bring a full-size spare tire mounted on a rim.
- Locate the refuelling points on your route and, on each occasion, refuel and replenish food and water.
Check opening hours before departure.
- Let your family and friends know your schedule and itinerary.
- Since mobile-phone coverage is incomplete in this region, the use of a satellite phone or beacon is recommended.
